Top Skills

Python (Programming Language)
Machine Learning
Mathematics

Languages

Tamil
English

Certifications

Improving Deep Neural Networks:
Hyperparameter Tuning,
Regularization and Optimization
A. Microsoft Certified: Azure AI
Engineer Associate
A. Microsoft Certified: Fabric
Analytics Engineer Associate
GenAltechLab Fellow
Microsoft Certified: Azure AI
Fundamentals

Honors-Awards

Macquarie Scholar
Aspire Fellow
Math Wiz
4xClass Topper

Publications

Recent Advances in Reinforcement
Learning: A Review of Four Key
Contributions

Ahmad M

Researcher | AI, Machine Learning
India

Summary

Aspiring AI researcher, actively learning and exploring the frontiers of machine learning through research and reimplementations of seminal papers.

Experience

Tamil Nadu Skill Development Corporation
Data Scientist
May 2024 - July 2024 (3 months)

Contributed to data-driven skill development initiatives, leveraging AI and machine learning techniques to enhance workforce capabilities across the youth of Tamil Nadu.

Aalim Muhammed Salegh College of Engineering
Machine Learning Researcher
January 2024 - April 2024 (4 months)

Developed a fake news detector using simple TF-IDF and conducted meta synthesis research on Reinforcement Learning, condensing and analyzing the recent advances in the field

Education

Arizona State University
Bachelor of Applied Science - BASc, AI

Aspire Institute
Leadership Program, Organizational Leadership · (April 2024 - August 2024)

Anna University
Bachelor of Technology - BTech, Artificial Intelligence and Data Science
